

# 2010 CUBAN OCTOBER OUTREACH

Hosted by Jewish End-Time Ministries, Inc. 

## OCTOBER 25 - NOVEMBER 1, 2010

Calvary Baptist Church is located in central Havana. It is one of the largest churches in Cuba. With a membership of about 800, this church has invited Jewish End-Time Ministries to hold a major outreach in October 2010 that could potentially result in hundreds of people being saved.

The pastor of Calvary hosted an Israel & End-Time Prophecy Conference in March 2010. It is his hope that this evangelistic outreach in October will result in a major revival in the city of Havana.

We saw over 500 people saved in March 2010. Please consider supporting this outreach as we look forward to many decisions for Christ. This is a unique opportunity, and we encourage you to be part of it!

Center Havana is one of the most populated areas in Havana City. Several families may live in a single dwelling. From the capitol of Havana to Havana Bay there are several streets where the average population is 500 or more people.

**We will distribute 50,000 Gospel Tracts & Invitations to Our Meetings**
