

Revival Crusade

September 2010

Dear Fellow Helpers,

A big God bless you to all of those receiving this update on our ministry. Why have you not heard from us for several months? Some of the following reasons may apply.

We have had no meetings - we are retired.

We have no need for prayer and financial support.

We just don't care anymore.

We are too busy to get organized. (well, maybe)

NONE OF THE ABOVE! (This is the correct one) ... Try the following:

We have been very busy.

We have neglected to keep in touch with those we love and need.

We assumed that you would access the web site (www.revivalcrusade.net).

We are getting older (not old, but older).

ALL OF THE ABOVE! So, what IS happening?

WE REJOICE in God's continual blessings on our meetings and our health. We have an occasional bump and bruise and kidney stone, but, like the Mississippi, we keep rolling along.

WE RECOGNIZE the economy has affected churches and individuals ability to give financial support. In the past two years, some churches have dropped their support and others have reduced their giving by 50%. In spite of that, God continues to keep Revival Crusade, Inc. in the black. We are able to provide monthly support to 11 missionaries, pay for radio broadcasts, fund our mission trips and continue to travel to church meetings.

WE RESOLVE to continue ministering where and when the Lord opens the door. **The schedule for the remainder of 2010 is on the back page.**
